## Lower Primary

As part of their topic on 'All About Me', 1P have been doing a lot of work on friendship. In English, they followed a recipe for friendship using sensory ingredients to form the perfect mix of a great friend.

The pupils added: - **1 pinch of happiness, 1 handful of kindness, 2 spoonfuls of gentleness, 3 cups of sharing, a teaspoonful of helpfulness, 4 heaped tablespoons of laughter, a bowl of smiles, a sprinkling of cheerfulness, and a stir of love.**

The children had so much fun following the recipe, they were exposed to new words and used a variety of utensils & their hands to measure out each ingredient.

They also took turns to share the equipment and waited for their turn patiently. Well done 1P - you are all doing great at being good friends.

## KS3&4 Summer Production DVD 'Beware of the Ogre'

DVD's are available to purchase from the office for a small donation.

## Upper Primary

2B have been learning about fire safety and how to keep yourself safe by following the fire safety rules. They have learnt all the information you need to give when you dial 999.

The class then used role play to practice, it was a fun lesson but the children have learnt some very important life skills.

**Plea for Plastic Bottles** - please could we have any of your empty, clean plastic bottles for our annual 'Eco Christmas Tree' project. KS3 Arts Award group will be making a plastic inspired sculpture and need as many plastic bottles as possible.
